

The Regional Transportation Planning Organization Technical Advisory Committee (RTPO TAC) makes recommendations to the [MRCOG Board of Directors](#) . Its membership consists of elected officials and their designated alternates. Federal and state agencies with a responsibility for transportation planning and programs in the region are also represented on this committee in an advisory, non-voting capacity.

Committee members come from Sandoval, Torrance, Valencia, and Southern Santa Fe counties. They represent counties, municipalities, tribal governments, and special purpose units of government.

The goals of the RTPO TAC are to provide a regional forum for cooperative decision making on transportation issues to serve as liaison between the local governments and the [New Mexico Department of Transportation](#) . The committee provides policy guidance, project priorities, and technical assistance in the development of transportation plans.
